

## Chemical Logic

Static-X

Discover disaster  
Dismantled destroyer  
Disorted drum fire  
Aborted short wire

Ch-Chainsaw k-killer  
It's over the shoulder  
Your sorrow tomorrow  
Behavior your savior

Illogical choir  
We die young desire  
You slither you wither  
The terror your error

Pig hammer the static  
The bats in the attack  
Chemical l-logic  
Chemical l-logic

Freak out  
Head on  
I play the part  
Tomorrow  
You're gone  
I live on the limit

Freak on the sonic  
Beat on the chronic  
Melt down some of this  
Chemical tonic

Convulsion iridium  
Tactical repulsion  
Revision  
Break it down

Crush down the pedal  
Rush on the metal  
Extract some of that  
Deafening noise blast

Crank on the heavy  
Main switch dirt witch
