

## Chroma-Matic

Static-X

Winding it up  
Like a wound metal fuzz box  
Tuning it up  
Make your neck bend round  
Plugging it in  
To the primary noise box  
Making it raw  
Make your brain shut down

Origin know  
To the few chroma-matic  
It shakes your eyes  
And it shocks you wide  
Tuning it down  
To the end note  
Feedback  
Fuzzback  
Head scratch  
Phase loop  
Heart attack

Chroma-matic

Origin know  
To the few chroma-matic  
It shakes your eyes  
And it shocks you wide  
Tuning it down  
To the end note  
Feedback  
Full stack  
Head crack  
Slam that Cadillac
