

# Crash

Static-X

She heard it all before  
She had a grand design  
Barely living on borrowed time  
Turn a blind eye to  
See the shadow come  
Never even notice  
Having so much fun  
One thing on her mind  
It's just fun and games  
Scott free  
Baby wants to point the blame  
Listen up people  
Gonna spread the word  
Break it down  
Cause you got to be heard  
Hey I know I hope she don't crash  
Barely living on borrowed time  
Never stop to think how or why  
An aimless driver lives inside her head  
She only needs to have her ego fed  
Hey I know I hope she don't crash  
Burying up baby like a falling star
