

Down

Static-X

Never fear
Never fear
Never fear
Never fear to meet the resistance

Walk with me
Walk with me
Walk with me
Walk with me though don't mind the distance

To avoid all collected
Disinfect the affected
Just to feel this connection

To avoid all collected
Disinfect the affected
Just to feel this connection

Feel feel
Feel feel
Feel feel

Walk by me
Walk by me
Walk by me

To avoid all collected
Disinfect the affected
Just to feel this connection

To avoid all collected
Disinfect the affected
Just to feel this connection

Driving it down
Tearing it down
Break it down
Drive it

Driving it down
Tearing it down
Break it down
Drive it

Never fear
Never fear
Never fear
Never fear to meet the resistance

Walk with me
Walk with me
Walk with me

To avoid all collected
Disinfect the affected
Just to feel this connection

To avoid all collected
Disinfect the affected
Just to feel this connection

Driving it down
Tearing it down
Break it down
Drive it

Driving it down
Tearing it down
Break it down
Drive it

You made me this way
You made me this way
You made me this way
You made me this way

You made me this way
You made me this way
You made me this way
You made me this way

Driving it down
Tearing it down
Break it down
Drive it

Driving it down
Tearing it down
Break it down
Drive it
