

## Love Dump

Static-X

Hand me a line  
Really hand me a line  
Really hand me a line hand me a line  
Really hand it to me i've always loved you  
Love dumpling  
Your shit's like chocolate cake  
And your ass smells like a rose

I really hate you  
Love dumpling  
Now my bowels ache

Drop down in a line  
Really hand me a line, really hand me a line  
Hand me a line, really hand it to me
