Static-X

Shut out
Cut out
Bloodless
Hopeless
Hating as I fade
Pulsate
Pushing
Head exploding
Razor sharp the tongue is

Put down
Run out
I could care less
Throw down as I hate
Feeding
Needing
Severed bleeding
Pull it our exposing

Take a beating
Needle speeding
Fall into a daze
Defecation
Detonation
Tear the tongue apart and

Terminate it
Suffocate it
Spitting in your face
Accelerate
Exterminate it
Take it all in hand
There's no submission

No submission
Blue turns to white
