

## Reptile

Static-X

Shedding your skin  
It's falling to pieces  
Feeling within  
Body is cold  
Cold to the bone  
Bestial sin  
You're trying to keep it  
Feeling within  
Spirit is old

Let me in  
It can never happen  
Biting me with a poisonous mouth  
A venomous shout

Tear me apart  
Chewing the gristle  
Chewing it up  
Spitting me out
