

# Terminal

Static-X

Spinning and whirling  
Descending unending  
Light the halo  
Watch the day glow  
Spiral is viral  
I'm seeing believing  
Dig the feedback  
Take another crack at it

Harder and harder  
The hollow deceiver  
Hit the noise blox  
Smash the ice box  
Louder and louder  
Forgetting the setting  
Kill the digital  
Beat the terminal

Go  
Take it slow  
Let it go  
Get down hard  
It's terminal

Sensing commencing  
The final dismantle  
Your confusion  
My illusion  
Terminal heading  
Advance to the hideout  
Put the light out  
Throw me down, throw me down
