

## Far Away

Status Praesents

You're so far away  
I don't believe our chance is gone  
Now you're runnin' away  
You were The One I was waiting for

Diggin' and diggin' over and over again  
Roughly, sorely and aloud  
Smash me, strike me, push me beat me  
I'll shake my head and still gotta go!!

Gotta go!!  
There is no turning back  
Gotta go!!  
All my memories are dead

You're so far away  
I don't believe our chance is gone  
Now you're runnin' away  
You were The One I was waiting for

So far away  
From my arms not from my mind  
So far away

Rollin' and rollin' over and over again  
Softly, slightly and gently  
Smash me, strike me, push me, beat me  
I'll shake my head and still gotta go!!

Gotta go!  
There is no turning back  
Gotta go!  
All my memories are dead

You're so far away  
I don't believe our chance is gone  
Now you're runnin' away  
You were The One I was waiting for

So far away  
From my arms not from my mind  
So far away
