

Note

Status Praesents

Here it goes
All day I write down my notes
What is worth to noting down?
Oh, let me conclude this

I'll ask once more
Will I remain the same
Or let's put it this way
Will I ever be able to change
Move slowly
Come closer
Bring it on
I'm not joking

What are you waiting for?
There is still bill to pay
I'd prefer to go trough it now
Go trough it

Show no mercy
Just like you are used to
Want something more
That's what you told me, too
He is gone
Yes, he too
Left away
Without you

Some say there is someone else; i've never felt like that before
I wish I met the one who's standing in front of my door
All the things I really feel, there are a lot of things in my head,
I am loosing them every day and night
And they show up another day and night

I'll ask once more
What is that, you really want
Bring it on
just in case that you really know
He is gone
Yes, he too
Left away
Without you

I don't think this is the end
I can't wait to read the second part
I'd prefer to go trough it NOW
