

Feeling guilty?
This is right!
I have told you!
Just to say I am sorry!
This is your punishment I cannot save your soul

What's that noise?
Try to be brave
Accept the rules
Just try to say I am sorry!
This is your punishment I cannot save you
This is your punishment I cannot save your soul

Prepare yourself

Prepare yourself
This is your, this is your, this is your punishment
And you cannot catch a breath

Do you feel hate?
Want to fight?
The self destroy match
Just try to say I am sorry!
This is your punishment I cannot save you
This is your punishment I cannot save your soul

Prepare yourself

This is your, this is your, this is your punishment
And you cannot catch a breathe
Prepare yourself
All I can tell you is prepare yourself
This is your, this is your, this is your punishment
And you cannot catch a breathe
Prepare yourself
