

U are insane in my eyes  
U have to have the pain inside  
This game is over before it starts  
It's weird to build up the quicksand house  
All i see is ourselves  
Walkin' the path where everything that u have been fightin' for  
Doesn't make any sense  
U are tryin to build up the quicksand house  
It's not normal to behave as a fool  
U are a loser u are not cool  
It is all over u are not he last  
Who wants to build up the quicksand house
