Don't let the bullet lead your fuckin' life! Destruction I am falling To The Grave I dig Before I Dont think that it's funny My broken Wings Our Fear that We Have Lost Check this Till This Time Today Be Free Try to Fly Away This is a free ride The chance to be The Best From the east side to the west side Don't wanna be the last Yes I am ready to fly my brother To do the best U can OK just wanna get further That's me! Don't let the bullet lead your fuckin life! Find your future Way and style Give me your hand Rescue your life Another sunrise Success and fall Look into the future And try to stand tall Yes I am ready to fly my brother To do the best U can OK just wanna get further That's me! Don't be afraid and don't be a fool! Fear that we have lost Till the time today Try to fly away !!!
