

## Say Goodbye

Status Praesents

Sometimes, it is needed  
To take a break For a while  
Don't you think?  
No hate between us  
But not much love  
Has left here Anyway

I just think this is really good bye  
good bye, no more chance to take it back  
no more chance to take it back  
I just think this is really good bye  
good bye, no more chance to take it back  
no more chance to take it back

Ressurrection?  
This could be a joke  
Nothing left Anyway  
Relationship  
Its easy to break  
And it hurts Rest in peace

I just think this is really good bye  
good bye, no more chance to take it back  
no more chance to take it back  
I just think this is really good bye  
good bye, no more chance to take it back  
no more chance to take it back
