## **Almost But Not Quite There**

**Status Quo** 

I want to have you here with me To cuddle up so near to me And do the things You like me to do to you

You like it when I tickle you We start to kiss, it pleases you It gets so hot I just don't know what to do

To take you When you're feeling good To love you like I know I should It makes me feel all are ten feet tall

So I just try to give to you All that I can to satisfy you I don't like to leave you girl Almost but not quite there

So I just try to give to you All that I can to satisfy you I don't like to leave you girl Almost but not quite there

Now when I finally get to you I'm gonna put my love to you And then I'll see Just how good you are

So I've got to have you here with me To cuddle up so near to me And do the things You like me to do to you

'Cause I just try to give to you All that I can to satisfy you I don't like to leave you girl Almost but not quite there.
