

## Auntie Nellie

Status Quo

Sitting here with Auntie Nellie, she is so alone  
Talking idly, she's in no hurry, I wish I could go  
But how could I just say, "Goodbye"  
There's no one whom she knows

No I can't leave my Auntie Nellie, no  
No I can't leave my Auntie Nellie, no

She's getting old and weary, oh it's such a shame  
'Cos she's been good to everyone  
But now they don't know her name

No I can't leave my Auntie Nellie, no  
No I can't leave my Auntie Nellie, no

Sitting here with Auntie Nellie, she is so alone  
Talking idly, she's in no hurry, I wish I could go  
But how could I just say, "Goodbye"  
There's no one whom she knows

No I can't leave my Auntie Nellie, no  
She's so alone, she'd die if I should go  
No I can't leave my Auntie Nellie, no  
She's so alone, she'd die if I should go.
