

## Cream of the Crop

Status Quo

I gotta get myself far, far away  
I gotta tell myself that anyway  
I can't forget the way that you used to be  
Now all in all it seems so different to me  
I said oh-oh Rosalee  
Oh my Rosalee

Oh every time I see you I have to stop  
And everybody says you are the cream of the crop  
But if you're looking angry in any way  
I don't believe I could stand in your way  
My one and only carriage, it rolls along  
My funny love affair has found a way to go on  
I won't change for you, you haven't changed for me  
I don't suppose you have an answer for me

I've been around this place for quite a time  
I've been around just feeling really fine  
I can't believe I feel like nothing today  
Well I don't feel too much anyway  
I said oh-oh Rosalee  
Oh my Rosalee

Oh every time I see you I have to stop  
And everybody says you are the cream of the crop  
But if you're looking angry in any way  
I don't believe I could stand in your way  
My one and only carriage, it rolls along  
My funny love affair has found a way to go on  
I won't change for you, you haven't changed for me  
I don't suppose you have an answer for me

Oh every time I see you I have to stop  
And everybody says you are the cream of the crop  
But if you're looking angry in any way  
I don't believe I could stand in your way  
My one and only carriage, it rolls along  
My funny love affair has found a way to go on  
I won't change for you, you haven't changed for me  
I don't suppose you have an answer for me  
My one and only carriage, it rolls along  
My funny love affair has found a way to go on  
I won't change for you, you haven't changed for me  
I don't suppose you have an answer for me  
My one and only carriage, it rolls along  
My funny love affair has found a way to go on  
I won't change for you, you haven't changed for me  
I don't suppose you have an answer for me
