

Creepin Up On You

Status Quo

I like the way you walk
You got a giggle when you talk
I like the way you talk
You got a wiggle when you walk
Nothing you can do
Sure as one and one is two
I'll be creepin up on you

I'm gonna be your man
You better understand
Be your pretty little thing
Your puppet on a string
Nothing you can do
Sure as one and one is two
I'll be creepin up on you

Gonna write a little letter
Poetry for two
Send you pretty flowers
Creepin up on you

Gonna write a little letter
Poetry for two
Send you pretty flowers

Gonna take a little time
Before i make you mine
But i'll bet you anything
Your gonna wear my ring
Nothing you can do
Sure as one and one is two
I'll be creepin up on you

Nothing you can do
Sure as one and one is two
I'll be creepin up on you

Nothing you can do
Sure as one and one is two
I'll be creepin up on you
