

Doing It All For You

Status Quo

Dawn is breaking, it's time to rise
Aching body, tired eyes
From eight 'til eight I won't be with you
Can't you see I'm doing it all for you

I get home and I need a rest
You need loving, I do my best
To keep you happy, keep you smiling
At least you know I'm doing it all for you
Can't you see I'm doing it all for you

Ready, I'm ready, what more can I do?
Ready, I'm ready, the rest is up to you
Give me some freedom, nothing left to lose
So why don't you 'n I, sit down and cry
Can't you see you're driving me crazy

Tell me baby, i need to know
That you're by my side whatever goes
'Cos I'll be there when you need me
Whatever I do I'm doing it all for you

Ready, I'm ready, what more can I do?
Ready, I'm ready, the rest is up to you
Give me some freedom, nothing left to lose
So why don't you 'n I, sit down and cry
Why don't you see you're driving me crazy
