Don't Stop

Status Quo

If you wake up and don't wanna smile If it takes just a little while Open your eyes, look at the day You'll see things in a different way

Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be here better than before Yesterday's gone, yesterday's gone

Why not think about the times to come And not about the things that you've done If your life was bad to you Just think what tomorrow will do

Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be here better than before Yesterday's gone, yesterday's gone

All I want is to see you smile If it takes just a luttle while I know you don't beieve that it's true I didn't mean any harm to you

Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be here better than before Yesterday's gone, yesterday's gone

Don't stop thinking about tomorrow Don't stop, it'll soon be here It'll be here better than before Yesterday's gone, yesterday's gone

Oooh, don't you look back Oooh, don't you look back Oooh, don't you look back Oooh, don't you look back
