

# I Fought The Law

Status Quo

Breakin' rocks in the hot sun  
I fought the law and the law won  
I fought the law and the law won  
I needed money 'cause I had none  
I fought the law and the law won  
I fought the law and the law won

I miss my baby and I feel so sad  
I guess my race is run  
She's the best girl that I ever had  
I fought the law and the law won  
I fought the law and the law won

Robbin' people with a six-gun  
I fought the law and the law won  
I fought the law and the law won  
I miss my baby and I miss fun  
I fought the law and the law won  
I fought the law and the law won

I miss my baby and I feel so sad  
I guess my race is run  
She's the best girl that I ever had  
I fought the law and the law won  
I fought the law and the law won

I fought the law and the law won  
I fought the law

I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law and the law won  
I fought the law

I miss my baby and I feel so sad  
I guess my race is run  
She's the best girl that I ever had  
I fought the law and the law won  
I fought the law and the law won
