

## In My Chair

Status Quo

I saw her talking now  
My ears were burning  
My feet started walking now  
They started turning

My eyes were half open  
But she didn't see me there  
We ran along walking  
'Cross the roof-tops in my chair

Had a car in my pocket  
And we started moving  
A man in a helmet said  
"What's that you're using?"

My eyes were half open  
But we didn't see him there  
Put the car back in my pocket  
And I'm still here in my chair

My teeth were laughing now  
We couldn't stop smiling  
We danced to the 'Mystery Band'  
Without even trying

My eyes were half open  
But we didn't see them there  
We ran along walking  
'Cross the roof-tops in my chair.
