

One Man Band

Status Quo

When I'm talkin' nothing's getting through
If I'm screaming it's never clear to you
Can you hear me , am I wasting my time
Am I working in a one man band

When I'm lookin' straight into your eyes
Is there anyone home , you're tellin' me lies
Listen to me , are you wasting my time
It's lonely in a one man band
Lonely in a one man band

Words out of line , don't ever hurt you
Forever crying trying to turn you around

Woh oh oh oh
Woh oh oh oh
Woh oh oh oh
Woh oh oh oh

Anticipating what you're gonna do
Still waiting for a sign from you
Come together or we're wasting my time
And I'll always be a one man band
I'll always be a one man band
It's lonely in a one man band

Woh oh oh oh
Woh oh oh oh
Woh oh oh oh
Woh oh oh oh
