

# Saddling Up

Status Quo

Always there, you think I don't matter  
Treat me bad, it's gonna get badder  
Sad times'll be a whole lot sadder  
Changed my mind, now I feel fine

Kissed goodbye to all your flirtin'  
Calling time on all your hurtin'  
I admit, it just ain't workin'  
I booked some space in a different place

And I'm saddlin' up (saddle up, saddle up)  
Saddlin' up (saddle up, saddle up)  
Yeah saddlin' up (saddle up, saddle up)

And I'm saddlin' up, I'm-a thinkin' straight  
Saddlin' up, I just can't wait  
Saddlin' up, it's-a never too late  
Whoa, saddlin' up  
Whoa, I'm saddlin' up

I'll put you back in your place girl  
Trailer trash, a waste of space girl  
Shouldn'a called me cactus face, well  
I ain't fussed, now eat my dust

Cos I'm saddlin' up, I've got no fear  
Saddlin' up, I'm outta here  
Saddlin' up, I'm-a disappear  
Whoa, saddlin' up  
Whoa, I'm saddlin' up

I thread my reins  
Adjust my girth  
I wax my boots  
I shine my spurs  
Whoa, saddlin' up

I'm saddlin' up (saddle up, saddle up)  
I'm saddlin' up (saddle up, saddle up)  
I'm saddlin' up (saddle up, saddle up)  
Whoa, saddlin' up

I'm saddlin' up (he's saddlin' up)  
Yeah saddlin' up (he's saddlin' up)  
I'm saddlin' up (he's saddlin' up)  
Whoa, saddlin' up

I'm saddlin' up (he's saddlin' up)  
Yeah saddlin' up (he's saddlin' up)  
I'm saddlin' up (he's saddlin' up)  
Whoa, saddlin' up
