

# You'll Come 'Round

Status Quo

When I see you looking so sad and lonely  
And I know you're feeling low  
I remember you said I was the only  
Your one and only where'd that go

You'll come 'round when you're ready  
I'll keep on nice and steady  
Don't get down don't you worry  
Just hang on why the hurry  
Take your time make it better  
Take it down to the letter  
What's gone wrong don't you worry  
You'll come 'round why the hurry  
You'll come 'round

Can't you see that I won't get tired of waiting  
I'll be here 'til you get through  
If you find yourself just anticipating  
I'm gonna wait and say to you

You'll come 'round when you're ready  
I'll keep on nice and steady  
Don't get down don't you worry  
Just hang on why the hurry  
Take your time make it better  
Take it down to the letter  
What's gone wrong don't you worry  
You'll come 'round why the hurry  
You'll come 'round

Now you know that I will be there forever  
Maybe we can work it out  
Don't you think it has to be now or never  
We know what it's all about

You'll come 'round when you're ready  
I'll keep on nice and steady  
Don't get down don't you worry  
Just hang on why the hurry  
Take your time make it better  
Take it down to the letter  
What's gone wrong don't you worry  
You'll come 'round why the hurry  
You'll come 'round  
You'll come 'round  
You'll come 'round  
You'll come 'round
