

## Black Fall

### Steak Number Eight

It's alright  
It will drip tonight  
This should end my fight

It's alright  
It will drip tonight  
This should end my fight

'Cause tonight I would take this flight  
This should bring me the light  
I can't wait because you are already inside

Black fall

Because tonight I would take this flight  
This should bring me the light  
I can't wait because you are already inside
