

Pyromaniac

Steak Number Eight

I am a pyromaniac
I'm going to burn you down
Is it your mama, is it your sister
Is it your doggy, is it your daddy
Is it your backyard, is it your house
Is it - I don't care
I'm going to burn it down
'Cause I'm a pyromaniac
I'm going to burn you down

Fuel is running through my veins
And I will burn you straight to hell
I am some kind of mad
I am some kind of sick
Do you need someone
Well I am going to burn you down
'Cause I'm a pyromaniac
I'm going to burn you down

I am a pyromaniac
I'm going to burn you down
