

Trapped

Steak Number Eight

You're the end (3x)

Everyday
I try to get why I'm here
I guess it's trapped
But my eyes want me dead
I just know
You are the end

Everyday
I try to get why I'm here
I guess it's trapped
But my eyes want me dead
I just know
You are the end

And I
I want you to know that it never will go
And if you somehow know
Please tell me now
Oh I love you so
