

# Don't Get Me Wrong

Stealers Wheel

I can tell by your expression that there's something in the air  
You think I'm holdin' out on you, you think that I don't care.

Oh no, don't get me wrong, I wouldn't want to hurt you.  
And maybe times I come on strong; it's only self-defense.  
I can't deny that sometimes I appear so cold and heartless,  
Then you become suspicious 'cause you can't make any sense out  
of me.

Every time we talk now it just ends up in a fight,  
It starts off in the morning and it goes on through the night.

You say that I'm a stranger, and you don't know me anymore,  
And I try not to listen 'cause I've heard it all before.

Tell me what it is you want and I'll make it all come true,  
'Cause I can't talk to anyone if I can't talk to you.

Oh, no, don't get me wrong...  
Oh, no, don't get me wrong...
