

## Over My Head

### Stealers Wheel

We sat up talking right on through the night  
And the day had just begun  
Then you said let's take a walk outside  
And watch the rising of the sun

And over my head there was  
So much to see in the sky  
Just that feeling of being alive  
Don't let it go, don't let it slip away

We stood around until the sky was clear  
And it was time for you to go  
I watched your figure slowly disappear  
As you walked off down the road

And over my head there was  
So much to see in the sky  
Just that feeling of being alive  
Don't let it go, don't let it slip away

Don't let it go, don't let it slip away  
Don't let it go, don't let it slip away
