

# In Your Eyes

Stealing Eden

My own remorse  
Brings me misery  
You brought me hope  
Gave me what I need

I felt my world  
Come crashing down  
All that is good  
In you I found

I can see it in your eyes  
All the answers  
All the reasons why  
As we stand beneath this clear blue skies  
It's the first day  
Of the rest of our lives

My whole life's been chasing down a dream  
You've pushed me in  
Forced me to believe

You've showed me everything's ok  
You've taken all my pain away

I can see it in your eyes  
All the answers  
All the reasons why  
As we stand beneath this clear blue skies  
It's the first day  
Of the rest of our lives

I can feel your innocence  
I can feel your tenderness  
The moment that I realized  
You mortalized  
The love I found in you

I can see it in your eyes  
All the answers  
All the reasons why  
As we stand beneath this clear blue skies  
It's the first day  
Of the rest of our lives

I can see it in your eyes  
All the answers  
All the reasons why  
As we stand beneath this clear blue skies  
It's the first day  
Of the rest of our lives
