

Never Give Up

Stealing Eden

Sinking under the water
Holding all your breath inside
Fighting to find all the answers
But frozen hearts can be kryptonite

You've gone down a path that you just can't go
The wrong way down a one way road
And I'm here to let you know

No, I'll never let you go
No, I'll never let you fall
No, I'll never give up on you
I'll never give up on you
I'll never let you go
No, I'll never let you fall
No, I'll never give up on you

Staring at your reflection
All you see is your broken smile
I hear somewhere in the distance
A warning sign
Can bring you back to life

You're on, on a path that you just can't go
The wrong way down a one way road
And I'm here to let you know

No, I'll never let you go
No, I'll never let you fall
No, I'll never give up on you
I'll never give up on you
I'll never let you go
No, I'll never let you fall
No, I'll never give up on you

No, I'll never let you go
I'll never let you fall
I'll never give up on you

No, I'll never let you go
No, I'll never let you fall
No, I'll never give up on you
I'll never give up on you
I'll never let you go
No, I'll never let you fall
No, I'll never give up on you

(I'm here to let you...)
Know I'll never let you go (go)
I'll never let you fall (go)
I'll never give up on you

(I'm here to let you...)
Know I'll never let you go (go)
I'll never let you fall (go)
I'll never give up on you
I'll never give up on you
