Well, you see  
it looks like we're done here  
Shall we move up and on,  
into the Stratosphere  
Hey now,  
no need to be frightened,  
'cause as long as we're together,  
there's nothing to fear

I don't believe in a bleak horizon, I won't concede to all of that  
What we need now is something different, what we all need is a.
