

Ice Cream Parade

Steam Powered Giraffe

Rabbit: Looks like you broke The Spine...

The Jon: Oh no! Huh, he's gonna miss the ice cream parade!

Rabbit: Wha- ice cream parade, there's an ice cream parade?

The Jon: Come on Rabbit, lets go, we can still make it!

Rabbit: Yeah! Wait a sec, what about The Spine? He loves ice cream parades!

The Jon: Ohhhhhhhhhh... He's dead now. Well, here we go!

Ice cream man,
Give him a hand,
The greatest man in all the land,
Give him your hand,
He has scoops for hands,
The ice cream scooping man,
Freezer box chest,
Fastest scoop in the west,
His ice cream is the best,
It's no contest and might I suggest,
It's his ice cream to ingest!

He has all your favourite flavours,
Like Butter-rumple Butter-berry,
Give me more of Double Triple-Dipped Dinosaur Cherry,
Wumple Dumple Happy Sprinkle Shoe Cream Pie,
Platypus Surprise!

The Spine: hey guys, did I hear something about an ice cream parade?

Rabbit: oh, no Spine, we're done with that now, now we're having a horse adventure!

Let's have a horse adventure,
Let's have a horse adventure,
Everyone loves a horse adventure, tally-ho!
Lets have a horse adventure,
Lets have a horse adventure,
Everyone loves a horse adventure, tally-ho!
Tally-ho!

Rabbit: My horse is a Pegacorn with wings and horn of gold!

The Spine: and mine is the six-hoofed Sleipnir, the Norse horse of old!

The Jon: and my horse is the greatest horse because it's not really a horse at all,
It's more like a tortilla on top of another tortilla,
Filled with gooey cheese and fresh salsa too,
They forgot my sour cream...

Rabbit: ...You can't ride a quesadilla.

The Jon: Uhhhhh, sure you can, check it out! Hyah!

Quesadilla!

Quesadilla!

Quesadilla!

Quesadilla!

Quesadilla!
