

Prelude to a Dream

Steam Powered Giraffe

Here I go again
I'm breaking up
I'm shutting down now

Inside, outside, decommission
wonder if its painful

Reading love and writing love
technically the same
I am a living thing
I am not a human being

But I'm alive, I'm alive

Aaaah-oho
Ahh ahh ha
Hai, ai, ai. yai, yai-yeh
La la la la
La la la la-dee-da
La la la la-dee-da
Woo-hoo, oh yeah
La la la
People
Why just talk about it?
Can't we live without
all the bounds?
Our society is Make Believe

Break it
Don't be afraid to shake it
We're not afraid to shake it around
in society
Make Believe

Hey kids whaddaya know
what do you think you're doing?
I say pardon me
I'm dancing for no reason

La la la la la la la la lalalala
La la la la la la

La la la la la la la la lalalala
La la la la la la

Doubt it
Get right up and shout it
Try it out and flout all the bounds
of society that are Make Believe

Dream it
But you've got to really mean it, brother
There is no disagreement
The stage of society, it's Make Believe

Hey kids whatcha know
whatcha think you're doing?

I say pardon me
I'm dancing for no reason

La la la la la la la la lalalala
La la la la la la

La la la la la la la la lalalala
La la la la la la

La la la la la la la la lalalala
La la la la la la

La la la la la la la la lalalala
La la la la la la

Life's too short so spread the love
You know it is, you know it is

Do great things
where you know they must be done
Someone's got it worse than you
You know he does, you know he does
So I'm asking you to spread the love

La la la la la la la la lalalala
La la la la la la
