

Edge Of Goodbye

Steel Magnolia

It took about a dozen quarters, half an hour, two minutes
Twenty seven seconds to get through to you
And before I even had the chance to finish half a sentence
She was spoutin, spittin, didn't wanna listen
Nothing I can ever say or do will ever be enough for you

Cause you made up your mind, yeah I made up my mind
You're gonna say shoo fly don't bother me
Baby

[Chorus]

At the edge of goodbye there are always two sides
That cut like a knife, no wrong and no right
When you're standing on the edge of goodbye

You're calling me at two a.m. I know you're whiskied up again
And I don't really wanna have to deal with this again
You say I never gave you half a snowball's chance in hell
Oh well I know I didn't kiss and stop you're bitching
Even if I had it's none your business, will you ever learn
It's no concern to you

Cause I made up mind, so you made up your mind
Don't need no reason why, gonna hang up the phone
Baby

[Chorus]

So you made up your mind, yeah I made up my mind
You gonna say shoo fly, gonna hang up the phone

[Chorus]
