## Steel Magnolia

I got a pink slip today  
It's time for rent but I can't pay  
My car broke down on the interstate  
They passed me by 'cause they won't wait  
And oh, all I can think of is you  
And oh, well I know what I'm gonna do  
And that is...

Get up, get up, get up  
I've got to let it go  
Get out, get out  
You've got to let all know  
How you feel when you feel like you do  
Got to have faith when you know that it's true  
Get up, get up, get up, get up because...  
Somewhere over the rainbow is you  
Over the rainbow

Time for everything under the sun  
A time to cry and a time for fun  
A time to hold back and a time to run  
But I know there's someone for everyone  
And oh, all I can think of is you  
And oh, don't care what life puts me through

I'm gonna get up, get up, get up  
I've got to let it go  
Get out, get out  
You got to let all know  
How you feel when you feel like you do  
Got to have faith when you know that it's true  
Get up, get up, get up, get up because..  
Somewhere over the rainbow is you  
Over the rainbow

Over the rainbow

Oh, so what if it's rainy and cold?  
Oh, when I'm holding my part of gold  
And oh, we all have pain  
But oh, the sun always shines in the rain, so I

Get up, get up, get up  
I've got to let it go  
Get out, get out  
You got to let all know

Get up, get up, get up  
I've got to let it go  
Get out, get out  
You've got to let it show  
How you feel when you feel like you do  
Got to have faith when you know that it's true  
Get up, get up, get up, get up because..  
Somewhere over the rainbow is you  
Over the rainbow  
Somewhere over the rainbow is you

Over the rainbow

You got to let it go

You got to let it go

Over the rainbow is you.
