

Let's go !

City nights, summer breeze makes you feel alright  
Neon lights shining brightly make your brain ignite  
See the girl with the dresses so tight  
(Give your love) Give you love if the price is right  
Black or white in the streets there's no wrong and no right  
No right !

Other side, buy your kicks from the man in white  
Feels alright, powder pleasure in your nose tonight  
See the men paint their faces and cry  
(Like some girl) Like some girl it makes you wonder why  
City life sure is cool  
But it cuts like a knife, it's your life

So forget all that you see  
It's not reality it's jut a fantasy

Can't you see, what this crazy life is doing to me

Life is just a fantasy  
Can you live this fantasy life  
My life is just a fantasy  
Can you live this fantasy life  
Let's see you livin' now

So forget all that you see  
It's not reality it's jut a fantasy

Can't you see, what this crazy life is doing to me

Life is just a fantasy  
Can you live this fantasy life  
My life is just a fantasy  
Can you live this fantasy life
