

# Just Like Tiger Woods

Steel Panther

If you don't golf that's okay  
You can be a tiger anyway  
Laugh through your teeth when things gets tough  
Or your balls are gonna wind up in the rough, yeah yeah

If you wanna be like Tiger Woods  
Fertilize the ladies in the neighbourhood  
Get real rich and you will find  
All the hot chicks will want to grind

If you wanna be like Tiger Woods  
Grip that shaft like you know you should  
Get a platinum card, it will be all good  
The girls will want you just like Tiger Woods

Remember this when you're having fun  
Three holes are better than a hole in one, yeah  
If the word gets out don't be afraid  
When a 9 iron's heading for your escalade, yeah yeah  
If you wanna be like Tiger Woods  
Filling all the divots in the neighbourhood  
Don't think about those three foot clubs  
You cover your tracks when you're banging them sluts

If you wanna be like Tiger Woods  
Text messages are never good  
Nail a girl at the driving range  
Your life will change, just like Tiger Woods

Have your best friend book all your flights  
Tell your wife that you're golfing nights  
Get a call girl and maybe just chill  
Be willing to part with a hundred mil

Bang a new pornstar every day  
Tell your sponsors it will be okay  
Surprise them all with an invitation  
To a viewing of your first double penetration, yeah

If you wanna be like Tiger Woods  
Poking all the holes in the neighbourhood  
Tell your wife how it's gonna be  
Your driver is community property

If you wanna be like Tiger Woods

Become the king of your neighbourhood  
Like Steel Panther and Tiger Woods

Just like Tiger Woods, oh yeah yeah
