

# Supersonic Sex Machine

Steel Panther

I'm the cyber-slutty sex bot made of steel  
I am programmed to make all the bitches squeal  
I've got gluteus of aluminum and circuit board abs  
I'm impervious to hackers, Chlamydia, and crabs

I've got an extra dong for double penetration  
Just squeeze my balls and activate vibration  
I can fuck all night if you want me to  
Then you can piss on my receptacle  
And suck my load of cyber-goo

Super sonic sex machine (3x)

I've got bionic balls attached to vacuum tubes  
Micro ducts emitting flavored lube  
Degauss my memory for no regret  
I'll paint your house and wash your car and light your cigarett  
e

I'm a - Super sonic sex machine (3x)

I'm coded for performance - but I'm missing something real  
You've helped me become human - you've shown me how to feel  
The elders of the Science, Shall breed a Master Race  
But we can live in freedom - let me jizz upon your face

I am engineered to cuddle until dawn  
You can activate my sleep mode when you're gone  
Your ultimate pleasure's the reason I exist  
From shopping malls to ben wa balls a finger to a fist

I'm a - Super sonic sex machine (3x)

That's what I am!
