

Wasted Too Much Time

Steel Panther

You really want me to be some other guy
But I can't even try, cause that guy's a lie
And when I try to be him, I just wanna cry
So that guy should die, that fuckin' guy should just die!

I wasted too much time fucking you!
I wasted too much money buying shit for you, too!
Wasted too much time fucking you!
Fuck, baby

Your favorite subject is you
Whenever you're here, I'm number 2
Get somebody new
To order to take out the trash, and kiss your big ass
Cause baby, I'll be boning someone else, too
Who loves to swallow my goo!

I wasted too much time fucking you!
I wasted all my breath, just hoping you'd listen too
Wasted too much time!

Hoped you would change
Yeah, I've been praying for it
No matter what I do for pussy
I'll be paying for it!

You always treated me like doggy doo
Now I'm gonna do the same damn thing to you
And scrape you from the bottom of my shoe
Cause I wasted too much time fucking you

I wasted too much time fucking you!
Wasted too much time fucking you!
Wasted too much time fucking you!
Wasted too much time
Wasted too much time
Wasted too much time
Wasted too much time fucking you
