

# Blasphemy

Steel Pulse

When facts rocks fiction  
Always cause friction Yeh yeh yeh  
Stirs the minds of, minds of non believers  
Thomas the name, they answer when I call them.  
Descendants of Judas - Yes sah yes.  
Them prefer Bara6us  
So die they must all's not lost  
Die they must all's not lost  
With, without a shadow of a doubt  
Sing a joy.....

My, songs and praises  
Will never no, no, no  
Turn to shouts of anger  
I'm a believer Yes sah yes  
He was no stranger to me,  
No want no silver, not I  
I'm in no danger, not I  
I'm no betrayer, not I  
Them who shouted.....  
Blasphemy, blasphemy  
He was no blasphemer  
Went onto his own received him not,  
Stripped of his garments, flogged and mocked  
And the cock crowed they deceived him  
Son of Jah, Peter never believed him  
He had his joy, joy  
Overtaken by desolution  
He volunteered for, for  
His cru.....  
His crucifixion, so sing  
Sing a joyful song  
Sing a joy.....  
Praise aloud for  
Blind can see,  
Deaf can hear,  
Lame can walk,  
Dumb can talk  
Diseased get cleansed yeh  
Selah,  
No, blasphemer  
Praise aloud for  
No deceiver  
No blasphemer  
He lives for ever, so sing  
Oo, la, la visions of eternity  
Oo, la, la listen to his preaching  
Oo, la, la trod the straight and narrow road  
Who prayers, parables and scriptures say  
Selah praise aloud for  
Selah no blasphemers  
Selah no deceiver  
Selah he lives forever Yeh Yeh Yeh  
Oo, la, la  
Highest ranking, ranking high  
Blasphemy, blasphemy,  
Blasphemy, blasphemy, BRrrrr.....

Man betrayed him  
Man denied,  
So don't betray him  
Don't deny
