

## Higher Than High

Steel Pulse

O father  
Take me where  
I can sing unto you  
O when the battle is done  
Take me higher then high  
My sword she's heavy  
My heart is worn  
Sing sing O David  
Sing me your song  
Harmony cry cry  
And now we reach  
The river is rolling  
And now we seize the time  
Sun it's so high  
I see I hear  
Rolling rolling rolling rolling  
Strings  
Were playing in my head  
And now I know  
Just what to do  
I close my eyes  
Till the morning comes  
Hey hey hey hey.
