

Love This Reggae Music

Steel Pulse

Reggae music is my favourite feeling
It keeps me rocking to and fro
And anytime I get that feeling
I want the whole wide world to know
I know we paid the price
But when you feel the vibes
You won't think twice
Cause I know we can make it
This music is love so come and take it
This happy feeling
Is a gift from God I know
Hear the sound and let it flow
Rock to the beat
Hold the groove and don't let it go
Cause no matter what happens
We've got to stay alive
CHORUS
Love this Reggae music
Sweet as anything I know
Love this Reggae music
Never ever let me go
Love this roots rock feeling
Sweet as anything I know
Love this roots rock feeling
Never ever let me go
So check out this vibration
'cause it's such a sweet sensation
It gives me inspiration
And it don't need no contemplation
oh
Ooh yeah
Oh
This happy feeling
Is a gift from God I know
Hear the sound and let it flow
Rock to the beat
Hold the groove and don't let it go
Cause no matter what happens
We've got to stay alive
Love this Reggae music
Sweet as anything I know
Love this Reggae music
Never ever let me go
Love this root rock feeling
Sweet as anything I know
Love this roots rock feeling
Never ever let me go
Be positive in what you do
And anything you earn will come to you
Don't let the pressure make you wanna quit
Just hold your ground and you will conquer it
Yes you will.
CHORUS
Love this Reggae music
Sweet as anything I know
Love this Reggae music
Never ever let me go

Love this roots rock feeling
Sweet as anything I know
Love this roots rock feeling
Never ever let me go
Oh
Love this Reggae music
Keep on rocking yeah
Keep on moving yeah
Keep on grooving yeah
