

# Not King James Version

Steel Pulse

A dis ya version  
A no King James version  
Cause out of Africa  
Came the Garden of Eden

Hidden from me I was never told, no way  
Ancient prophets black and bold  
Like Daniel, King David and Abraham  
Israel were all black men  
I don't wanna lose ya!

Japhet tried his best to erase  
The godly parts we played  
I says he came and took  
And never mention in his book... so

A dis ya version  
A no King James version  
Cause out of Africa  
Came the Garden of Eden

In Esau's chapter of history  
So little mention of you and me  
We rulers of kingdoms and dynasties  
Explored this Earth for centuries  
I don't wanna lose ya  
Phoenicians, Egyptians and the Moors  
Built civilization, that's for sure  
Creators of the alphabet  
While the West illiterate..yeah

A dis ya version  
A no King James version  
Cause out of Africa  
Came the Garden of Eden

African heritage  
I don't wanna lose ya  
Oh, no

Slavery came and took its toll  
In the name of John Bull Dog  
Said we turned our backs on God  
Lost the powers that we had  
As our backs against the wall  
Ask ourselves about the fall  
Rise rise rise  
Hold on to your culture

A dis ya version  
A no King James version  
Cause out of Africa  
Came the Garden of Eden

I don't wanna lose ya  
I don't wanna lose ya  
Never let them fool you
