

Soldier In The Army

Steel Train

Blue wind
Don't know what,
Don't know what, don't know
What we are doing
But I'll follow it tonight
Around here
I can feel, I can feel, I can feel
All of you dying
In the strangest, strangest ways

And it's back to Puerto Rico
And I don't want to be saved
By a soldier in the army
A soldier in the army
Or you

I'm here
With the one, with the one,
With the one I've been loving
It was cold until tonight

And it's back into the future
I held that crystal ball
Like a soldier in the army
Soldier in the army
Or you

Freedom!
(I just want to take you)
I gotta keep moving on
Bloody!
(I just want to take you)
All around the world

Sugar tongue
Don't know what,
Don't know what, don't know
What we are doing
I'm gonna follow it tonight

And it's back to Puerto Rico
And I don't want to be saved
By a soldier in the army
A soldier in the army
Or you
