

# Bad to the Bone

Steeler

Hot tonight, gotta strike  
Let 'em feel my stick of dynamite  
Sinful, narrow  
For long talks before because lust rules

[Chorus 1:]  
Tonight - gonna hit and run  
I'd die - for a bit of fun  
No woman that survived and crawled out alive from my chambers

Beware I'd bad - bad  
Beware I'm bad... to the bone  
You know I'm bad - bad  
You know I'm bad - to the bone  
Tonight

Hunt 'em down, one by one  
They can't teach you move, kinda pass the gun  
So strong  
I belong... to the kind that never asks for right or wrong

[Chorus 1:]

[Chorus 2:]  
Beware I'd bad - bad  
Beware I'm bad... to the bone  
You know I'm bad - bad  
You know I'm bad - to the bone

Don't worry, you're the next!

[Chorus 2:]
