Electric Love Child

Steelheart

People say she's from another time, got a neon heart, got an Xray mind Oh, a spiritual attraction Two black eyes painted on her face, just one look'll lay your s oul to waste Oh, a ritual reaction Let my dreams run away, tell me baby, tell me baby that you're gonna stay Touch my body, crush my soul, love Sweet Electric Love Child, Sweet Electric Love Child Little girl wanna stay so high, reach down and touch the sky Oh sunshine again Aw my sugar gonna shoot the moon Dancin' in an old cartoon on the windowpane Trip the lights, drift away Tell me baby, tell me tell me what you wanna say - what d'you w anna say?
