

Garden of Delight

Steelheart

Oh miss a miracles
I can hear you in my mind
Softly through the night
A solemn voice divine

Oh miss a miracles
I'm tangled in the vine
In a world of love
Your garden of delight

When all the colors slowly fade
And blossom to a gentle jade

And every time I close my eyes
I feel you always there
You hold me with love and care
And give me the strength of life
And show me the garden of delight

Oh miss a miracles
I'm standing on the edge of time
Overlooking eternity
Save my life tonight

I know, I know the dream is real
I feel you always there
You hold me with love and care
And give me the strength of life
And show me the garden of delight

I feel you always there
You hold me with love and care
And give me the strength of life
And show me the garden of delight
