Zone Of Alienation

Steelwing

Welcome stranger, welcome to our lands A sense of danger you cannot understand This hazardous environment separates the strong from the weak No longer to be inherited by the meek

Abandon all hope all ye who enter here You're hanging by a rope and the end is drawing here Radiation sickness strikes, it's time for you to meet your fate Genetic blueprints melt down and mutate

A thousand eyes are watching from behind the windowpanes Children of the nuclear fallout rain Heavy Metal mutants of a vicious biosphere Evolution's final frontier

In the Zone of Alienation Deep behind forbidden lines In the Zone of Alienation You may find the key to what is a higher form of life

Commander of the mutants, ruler of the freaks Toxic wastelands spawn the New Elite Warrior king, pick your queen time to breed the future strong In this Darwinistic playground this won't take too long
